ADOPTION AGENDA, CONSENT ITEMS

ORDINANCES TO BE INTRODUCED:

* ITEM-51: Amending the San Diego Municipal Code Relating to Social Host Liability.

CITY ATTORNEY'S RECOMMENDATION:

Introduce the following ordinance:

(O-2006-90)

Introduction of an Ordinance amending Chapter 5, Article 6, of the San Diego Municipal Code by amending Sections 56.60, 56.62, and 56.63, and adding Sections 56.64 and 56.65, relating to the prohibition against hosting, permitting, or allowing gatherings where minors are consuming alcoholic beverages.

SUPPORTING INFORMATION:

On May 6, 2003, the San Diego City Council approved Ordinance O-19172 N.S. (the Social Host Ordinance) adding Sections 56.60-56.63, relating to prohibitions against consumption of alcoholic beverages by minors, and hosting or allowing gatherings where minors consume alcoholic beverages. The Ordinance's purposes were to protect public health, safety, and welfare; to enforce laws prohibiting consumption of alcohol by minors; and to reduce costs of providing police response to parties by making hosts ensure minors do not consume alcohol. The City Attorney continues to believe the ordinance is a lawful exercise of the City's police power to promote citizens' health, safety, and general welfare. While the State of California has "the exclusive right and power to license and regulate the manufacturer, sale, purchase, possession and transportation of alcoholic beverages within the State" per Article XX, Section 22 of the California Constitution, cities may regulate alcohol consumption. *People v. Brewer*, 235 Cal. App. 3d 909 (1991); *People v. Butler*, 252 Cal. App. 2d Supp. 1053 (1967).

Ordinance O-19172 N.S. was intended to remedy the harms caused by underage drinking parties, including alcohol abuse, vandalism, excessive noise, traffic accidents, and physical altercations and injuries. The Ordinance made it unlawful for a minor, a person under the age of twenty-one, to consume alcohol at any public place, place open to the public, or place not open to the public unless supervised by the minor's parent or guardian. Further, the Ordinance made it unlawful for a person to allow or host a party at his or her home or other premises under his or her control where three or more minors are present and a minor consumes alcohol. After the Ordinance's passage, the San Diego Police Department used the Municipal Code provisions to successfully abate dozens of unruly parties that involved underage drinking.

ADOPTION AGENDA, CONSENT ITEMS (Continued)

ORDINANCES TO BE INTRODUCED: (Continued)

* ITEM-51: (Continued)

SUPPORTING INFORMATION: (Continued)

On September 7, 2004, the San Diego Superior Court's Appellate Division held, in an unpublished opinion, that Section 56.62(a) as originally enacted was "constitutionally impermissible "because of" the lack of a *mens rea* in the ordinance." Specifically, the court believed Section 56.62 violated the right to due process because a person could have been convicted under the original ordinance even if he was unaware or would not reasonably know that a party as taking place or that minors were present or consuming alcohol. Municipal Code Section 56.61, prohibiting the consumption of alcohol by minors, was not addressed or impacted by the Appellate Division's ruling. Following the ruling, the San Diego Police Department ceased enforcing Section 56.62, pending the redrafting of the ordinance.

The proposed amendments in the Ordinance now before the Council address the Appellate Division's concerns by imposing a duty on social hosts to take all reasonable steps to ensure that a minor is not consuming alcoholic beverages and adding the requisite "*mens rea*" or knowledge element. Further, the proposed amendments clarify the remedies available to the City of San Diego, including criminal prosecution, civil enforcement, and recovery of response costs.

ADOPTION AGENDA, CONSENT ITEMS

RESOLUTIONS:

- * ITEM-100: Copyright Assignment and Agreement with San Diego Coastkeeper for Project Stewardship: Water Education for Lifelong Leadership (SWELL).

STAFF'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-806)

Authorizing and empowering the Mayor, or his designee, to enter into the Copyright Assignment and Agreement with San Diego Coastkeeper for Project SWELL;

Finding that this activity is not a project because this activity does not result in a direct or reasonably foreseeable indirect physical change in the environment, and is therefore not subject to the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15060(c)(2).

STAFF SUPPORTING INFORMATION:

In Fiscal Year 2001, the City was directed via the Regional Water Quality Control Board Order No. 2001-01, to execute environmental education and outreach activities to school children regarding urban runoff, its causes and the impact on San Diego's watershed's and unique coastal marine waters. To meet the regulation and further our effort to build environmental awareness in our community at large, the Storm Water Pollution Prevention Program's education campaign, Think Blue, embarked on a collaborative effort with San Diego Coastkeeper and the San Diego City School District. The goal is to develop a kindergarten through 12th grade science curricula that would meet California's Science standards using San Diego's unique bio-diversity to illustrate the principles and serve the students as a living real-world laboratory environment. The Curricula is Project SWELL-Stewardship: Water Education for Lifelong Leadership. To date, the 5th grade curriculum is completed and in use in San Diego City Schools, and two additional grades, 4th and 6th, will be printed and distributed before the Fall of 2006;

Executing the Copyright Assignment & Agreement for Project SWELL, a joint project between the City of San Diego and San Diego Coastkeeper, will formalize the roles of the City of San Diego, San Diego Coastkeeper, and the Author of the curricula. This agreement will also protect the copyright of the Works (i.e. materials, art, illustrations, graphics, maps, and writings).

ADOPTION AGENDA, DISCUSSION, OTHER LEGISLATIVE ITEMS

RESOLUTIONS:

The following Items 330 and 331 maybe heard after the consent agenda in the morning.

ITEM-330: Preliminary Bond Items and Loan for Del Sol Apartments.

(See the San Diego Housing Commission Report No. HAR06-003. Otay Mesa - Nestor Community Area. District 8.)

SAN DIEGO HOUSING COMMISSION'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-744)

Approving the Issuance of Bonds by the Housing Authority of the City of San Diego for the Del Sol Apartments, pursuant to Section 147(f) of the Internal Revenue Code of 1986;

Declaring the City does not warrant the creditworthiness of the Bonds or guarantee, in any way, the payment of the Bonds. No moneys of the City will be pledged or applied to the repayment of the Bonds.

SUPPORTING INFORMATION:

The Housing Commission has been working with the Wakeland Housing and Development Corporation (Wakeland) to acquire, rehabilitate, and preserve the affordable housing units located at 3606-3690 Del Sol Boulevard. Wakeland is a California 501(c)(3) nonprofit corporation established in 1998 with the mission of developing affordable housing. Wakeland has participated in the development of over 1,900 affordable rental housing units in San Diego and has collaborated with the Housing Commission on several successful projects. The current affordability restrictions on the project are set to expire and the project needs to be rehabilitated to address deferred maintenance.

After completion of the \$4.5 million rehabilitation, 90 units would be restricted as affordable housing for 55 years; one unit would be occupied by a resident manager. 32 units would be restricted at 30% of the Area Median Income (AMI) (\$20,700 for a family of four), 17 units would be restricted at 50% AMI (\$34,500 for a family of four) and 41 units would be restricted at 60% AMI (\$41,400 for a family of four).

ADOPTION AGENDA, DISCUSSION, OTHER LEGISLATIVE ITEMS (Continued)

RESOLUTIONS: (Continued)

ITEM-330: (Continued)

SUPPORTING INFORMATION: (Continued)

The Housing Commission's investment in the project would leverage approximately \$16.6 million from other financing sources; \$6.7 million in federal tax credits, \$5.5 million from the State's Multifamily Housing Program (financed from the proceeds of Proposition 46), and \$4.4 million in a bond-financed mortgage loan from Washington Mutual. Up to \$10 million in bonds issued by the Housing Authority would be outstanding only during construction and would be repaid with proceeds from the State's loan and federal tax credits. These funding sources become available once the projects is built and occupied.

The City's Consolidated Plan identifies large families as an under-served tenant population, and the City's Draft Housing Element for 2005 to 2010 establishes a goal of preserving at least 100 "at risk" housing units per year. If approved, the recommended actions for this project will create 77 affordable units for large families (66 three-bedroom and 11 four-bedroom units), while preserving 91 units of "at risk" affordable housing.

FISCAL CONSIDERATIONS:

The funds are available to make the proposed loan to the project. Since the Housing Commission's FY06 budget was finalized, \$1,216,072 in unanticipated Coastal Housing funds have been received and the budget must be amended to use these funds on the project. HOME and Housing Trust Funds will also be used to fund the loan. Approval of the bond inducement and TEFRA resolutions do not commit the Housing Authority to issue bonds. If bonds are ultimately issued, security for repayment of the bonds will be limited to the value of the property and its revenues.

PREVIOUS COUNCIL and/or COMMITTEE ACTIONS:

None.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

On January 11, 2006, the Otay-Nestor Planning Group voted to approve the project. The Housing Commission's Loan Committee recommended approval of the loan on January 24, 2006, and the Housing Commission board recommended approval of the requested actions on February 10, 2006.

ADOPTION AGENDA, DISCUSSION, OTHER LEGISLATIVE ITEMS (Continued)

RESOLUTIONS: (Continued)

ITEM-330: (Continued)

KEY STAKEHOLDERS & PROJECTED IMPACTS:

The project is being developed by Wakeland Housing and Development Corporation. Wakeland has tentatively selected Washington Mutual and Red Capital Markets as financial participants on the project. The Housing Commission has engaged Public Financial Management and Stradling Yocca Carlson and Rauth to assist in preparing the proposed bond financing.

ADOPTION AGENDA, DISCUSSION, OTHER LEGISLATIVE ITEMS (Continued)

RESOLUTIONS: (Continued)

The following Items 330 and 331 maybe heard after the consent agenda in the morning.

ITEM-331: Hillcrest Commercial Core Maintenance Assessment District.

(Uptown Community Area. District 3.)

STAFF'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-749)

Resolution of Intention to form the Hillcrest Commercial Core Maintenance Assessment District and to levy and collect Fiscal Year 2007 Annual Assessments on Hillcrest Commercial Core Maintenance Assessment District.

STAFF SUPPORTING INFORMATION:

On September 30, 2005, a group of property owners in the Hillcrest area petitioned the City to form a new maintenance assessment district on their behalf. The petition was signed by 52% of the property owners in the contemplated assessment district. The purpose of the proposed District is to fund the maintenance, improvement and servicing of public areas to include landscaping, sidewalk sweeping/washing, curb and gutter, trash removal, graffiti abatement and regular security patrols. The requested services would be generally provided along University Avenue from First Avenue to Sixth Avenue while also encompassing Washington to Pennsylvania Streets and Fourth Avenue to Sixth Avenue.

On behalf of the petitioning Hillcrest property owners, City staff has retained SCI Consulting Group to prepare an Engineer's Report for the requested District. This report summarizes the proposed district, describes requested services/associated costs, provides an assessment diagram and apportions property owner assessments (which range from approximately \$172 to \$5,891 per parcel) based on the level of benefit received. District proponents had the opportunity to review and comment on the Engineer's Report.

The City Council is being asked to authorize the 8 requested actions cited above, with authorizations for actions 5 through 8 contingent upon affirmative findings at the public hearing scheduled for May 16, 2006. If the City Council approves the requested actions, ballots describing the proposed district and the associated assessments will be mailed to all property owners of record within the proposed district boundaries. Property owners can mail or deliver the ballots to the City Clerk. Interested parties may comment at the May 16th public hearing regarding the proposed District.

ADOPTION AGENDA, DISCUSSION, OTHER LEGISLATIVE ITEMS (Continued)

RESOLUTIONS: (Continued)

ITEM-331: (Continued)

STAFF SUPPORTING INFORMATION: (Continued)

Ballots will be counted at the conclusion of the hearing. If a majority of property owners supports formation of the District in accordance with State law, the City Council has the discretion to establish the District and levy assessments beginning in Fiscal Year 2007 as described in the Assessment Engineer's Report.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

At the request of the District proponents, the Hillcrest Association (Association) assumed a leadership role in soliciting input from property owners who would be impacted by the proposed District. The Association held two (2) community meetings on August 17, 2005 and September 14, 2005 to solicit input for the proposed District. The Association's outreach efforts also included the following: 1) noticed mail to all property owners who would be impacted by the proposed assessment; 2) public notice in the Daily Transcript; 3) public notice in the Association's monthly newsletter Hillcrest Highlight; 4) personal visits with property owners; and 5) e-mail notice to the impacted property owners.

Upon preliminary approval of the Engineer's report by the City Council, notices/ballots will be prepared and mailed to all property owners of the District who will ultimately vote whether or not they support the formation of the District. Property owners will also vote whether the Hillcrest Association, a non-profit, Section 501(c)(3) organization, or the City should administer the contracts for goods and services for the District. If this action is approved, a public hearing will be scheduled where public testimony will be heard by the City Council.

There is no fiscal impact on General Fund. Approximately \$89,950 will be assessed and collected in the Hillcrest Commercial Core Maintenance Assessment District in FY 2007. If the District is approved by benefiting property owners, assessments will be levied and collected to fund the annual budget.

ITEM-333: Authorizing First Amendment to the Retention of Latham & Watkins, LLP for Legal Services for Current and Former City Officials and Staff Related to the Case San Diego Police Officers Association (SDPOA) v. Michael Aguirre, et. al.

CITY ATTORNEY'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-613 Cor. Copy)

Authorizing and empowering the Mayor to execute, for and on behalf of said City, a First Amended Retainer Agreement, by and between the City of San Diego and Latham & Watkins, for certain legal services regarding the case SDPOA v. Michael Aguirre, et al., USDC Case No. 05cv1581H (POR);

Declaring under the First Amended Retainer Agreement the expenditure of an additional amount not to exceed \$500,000 to be set aside, solely and exclusively, for the purpose of providing funds for the above project;

Authorizing the City Auditor and Comptroller to appropriate and transfer funds from the General Fund Unappropriated/Unallocated Reserves to the Public Liability Fund to meet these obligations.

SUPPORTING INFORMATION:

On August 23, 2005, the San Diego Police Officers Association (SDPOA) filed and served a complaint in the case POA v. Michael Aguirre, et. al., USDC Case No. 05cv1581H (POR). The case raises a number of issues related to labor negotiations and retirement issues between the City of San Diego and the SDPOA.

On December 5, 2005, the City Council approved the retention of Latham & Watkins as outside counsel to represent certain current and former City officials and staff, excluding City Attorney Michael Aguirre. The City Attorney is being represented in this action by the law firm of Wehner & Perlman, LLP.

RESOLUTIONS: (Continued)

ITEM-333: (Continued)

SUPPORTING INFORMATION: (Continued)

In its December action, the Council authorized the retention in the amount not to exceed \$200,000. Latham & Watkins, through its retention, has exhausted the initial funding authorization and will need additional funding to carry the defense of this litigation through to conclusion. The City Attorney proposes to amend the agreement with Latham & Watkins for an additional authorization of not to exceed \$500,000. This will bring the total not-to-exceed cost for this representation to \$700,000.

This item was heard and additional expenditure authorized by the City Council in Closed Session on January 17, 2006. Non-conflicted employees in the City Attorney's Office shall monitor and direct the firm's work.

FISCAL CONSIDERATIONS:

Authorizes additional \$500,000, increasing authorization to a not-to-exceed amount of \$700,000 to provide defense to present and former City officials and staff named as defendants in subject litigation.

The costs associated with this action will be allocated to the Public Liability Fund. With this action, the Council will authorize the City Auditor and Comptroller to appropriate and transfer funds from the General Fund Unappropriated/Unallocated Reserves to the Liability Fund to meet these obligations. Any excess revenues as of June 30, 2006, will be used to replenish this reserve.

PREVIOUS COUNCIL and/or COMMITTEE ACTION:

Authorized in Special Closed Session on Monday, December 12, 2005, and amended agreement agreed to in Closed Session on January 17, 2006.

STAFF SUPPORTING INFORMATION:

The Securities and Exchange Commission (SEC), U.S. Attorney's Office and the District Attorney's Office are undertaking investigations into certain financial disclosure practices of the City of San Diego. These investigations are ongoing and certain elected officials have been asked to participate in interviews and proceedings, including compliance with subpoenas.

In a report to the Mayor and City Council dated January 31, 2005, the City Attorney states "in our view it is appropriate for the Mayor and City Councilmembers to have separate counsel to advise them in anticipation of a civil proceeding by the SEC".

Legal firms have been engaged on behalf of several current and former members of the City Council related to these investigations. Due to the complexity of the issues and the large number of documents involved, the City Council authorized \$851,000 on June 28, 2005, for legal fees which had been incurred in FY2005 as well as an initial allocation toward anticipated expenditures in FY2006. This authorization was allocated to individual Councilmembers by Council Resolution, as shown in the attached table. At that time, authorization actions were not proposed on behalf of Councilmembers Young, Frye and Inzunza.

The investigations are continuing and submitted invoices have now equaled or exceeded the individual authorizations as reflected in the table. Also, each Councilmember, through their law firm, was asked to anticipate the level of activity through the end of the fiscal year (through June 2006). The estimated amount is identified in the table and includes costs associated with the ongoing investigation as well as legal counsel associated with the processing of invoices in order to comply with numerous public records requests for information related to this legal representation.

In total, this item requests \$927,312.80 in additional funding authorization to meet both outstanding invoices (\$152,312.80) and potential costs (\$775,000) estimated through the end of the fiscal year. If approved, the total authorized amount for these services will be \$1,778,312.80. Any funds not required will be returned to the appropriate reserves.

FISCAL CONSIDERATIONS:

The costs associated with this action will be allocated across the City organization (including General Fund and Enterprise Fund activities) based on Full Time Equivalent positions. The City Auditor and Comptroller will appropriate and transfer funds from the General Fund Unappropriated/Unallocated Reserves to the Liability Fund to meet the General Fund portion of these obligations. Any excess revenues as of June 30, will be used to replenish this amount.
